

John Deweerd is the Vice President of HireGenics, an operating company of ACS Group. He is responsible for strategic business development of various workforce management programs, including payrolling and independent contractor compliance solutions. John is involved with growing existing business and successfully developing sales strategies for new business.

John has more than 15 years of business development experience at leading workforce management and staffing companies. Prior to HireGenics, John worked at Randstad Managed Services and the Bartech Group, where he helped drive MSP sales of more than \$1B in contract labor spend. John has successfully helped numerous clients design and implement contingent workforce solutions.
